## Woodchurch Players would like your help

The Players have entered a competition with TicketSource to try to win up to £1,000 for their funds. In order to win one of the prizes they need the support of the public - and this is where you can help. If you click on the link below, enter your email address and click "Vote" - the more votes we get the better the chance we have to win up to £1,000.
